

New Flash – Multisport & Adventure Racing NZ

Representative body

Earlier in the year you submitted your interest in a new representative body for Multisport & Adventure in New Zealand, in which you opted to receive progress notifications.

With responses highly supporting the creation of a body, the Steering Committee is pleased to announce the formal incorporation of Multisport & Adventure Racing NZ is just around the corner for the summer season.

A website will soon be available containing the constitution and other documents of interest, along with news.

The high level objectives are:

- To promote, foster and develop multisport and adventure racing within New Zealand.
- Encourage participation in events.
- To act as a representative body for all members in dealings with Government departments or representative bodies within New Zealand and race or event directors.

Membership details will be released soon, however we are pleased to announce that those that indicated to be an inaugural member on the national poll conducted by the Steering Committee February/March 2007 will be offered free membership until 31st March 2008 (full details below Appendix a).

VOTING OPEN! Multisport & Adventure Championship Races

VOTE to determine the best races that will make up the 2007/08 Multisport & Adventure Racing Champs. Have your say by voting online helping to shape the national championships & future of the sport. Vote and also go into the draw to WIN a Sporting jacket! Closes this Tuesday 2nd October.
